Suppliers - Making Changes

Last modified: 10/18/23

When making changes to any of your EDI details, you must notify the NMG EDI team so we can make the updates in our systems. Failure to notify NMG of your EDI changes will result in a delay in receiving the EDI POs.

- For Qualifier ID/VAN changes, save the below Migration form, fill out the form completely, and return to us at nmgedioutreach@neimanmarcus.com
