

## OPERATIONS PORTAL

### 810 Invoice Requirements

Last modified: 10/18/23

### **Invoice Requirements**

- Invoices cannot be consolidated. NMG requires only one invoice per store/purchase order
- Invoices must be unique for each store, less than or equal to 11 digits, and numeric only. Special characters and spaces are not allowed
- Special characters are not allowed in EDI transactions except for segment terminators and element delimiters or separators.
- Unit quantity must be greater than zero
- Invoice date cannot be future-dated
- No freight charges or discounts are allowed on the invoice. This will cause an out-of-balance error
  - The invoice total amount should match what is being shipped from the purchase order
- Do not send invoices for no cost/no retail (collateral) purchase orders
- · Items not shipped are not allowed on the invoice
- The supplier should use the same values for the ST/BY segments in the 810 invoice as used in the 856 ASN
- NMG requires that the BOL number be returned on the 810 invoice as it was sent on the 856 ASN
- Return the PIM that is transmitted on the 850 purchase order
- Mandatory elements on the 810 Invoice include:
  - Invoice number
  - NMG assigned supplier site number
  - NMG assigned department number
  - Purchase order number
  - ST/BY segments
  - BOL number
  - Valid gross invoice amounts
- Guidelines for checking the status of the 997 FA can be found at the following: 997 FA Standards

### **Invoice FAQs**

#### I received a Duplicate Invoice error, what should I do?

Each invoice must have a unique invoice number. If the rejected invoice is for a different PO and/or store please assign a new invoice number and resend.

What if I need to send a manual invoice?

All manual invoices should be emailed to: <a href="mailto:nmgapinvoices@neimanmarcus.com">nmgapinvoices@neimanmarcus.com</a>

I am an EDI live supplier, am I always required to transmit my invoices via EDI?

Yes! All EDI live suppliers are required to transmit their invoices via EDI.

How do I resend an invoice with revisions?

Do not issue a new invoice number. Use the same invoice number and indicate it is a revision or duplicate by changing the purpose code to 07.

I just transmitted an invoice, when will I be able to view the payment status on the Accounts Payable portal?

Please allow up to 48 hours for the Accounts Payable portal to be updated.
