

Invoice and Packing List

Last modified: 10/19/21

Always work with a [Foreign Buying Office](#) who will assist with invoicing, packing, shipping and payments.

Tender the shipment to The Neiman Marcus Group's [Freight Forwarders/Customs Brokers](#). Follow the invoice and packing list guidelines in this document for the merchandise to be delivered quickly without shipping and clearing delays.

- Submit one copy of the documents to the Foreign Buying Office for review.
- Submit one copy of the documents with the original CITES, if required, to the freight forwarder to accompany the shipment.

The information on the label must be consistent with the information provided on the vendor's commercial invoice and must be written in English. For additional information, see [U.S. Government and State Regulations: Labeling Requirements](#)
4. Supporting documents must be provided with the commercial invoice, if applicable:
